Wilhelm-Wilkens-Ring 4

27211 Bassum, Germany

01 / PROFILE

UX/UI designer with several years of experience across digital products, websites and interactive applications. I connect user research, clear interface systems and hands-on implementation — from the first question to a working product.

02 / EXPERIENCE

06/2026–NOW
BREMEN

USER EXPERIENCE DESIGNER / FRONT-END DEVELOPER · SVB

UX strategy and interface design for digital products, web experiences and e-commerce systems. Building consistent UI structures with internal stakeholders.

03/2025–NOW
FREELANCE

FREELANCE UX/UI DESIGNER & FULL-STACK DEVELOPER

End-to-end client work: discovery, information architecture, UI systems, React/TypeScript, CMS and deployment. Clients include NISTA IT, Hopen and RevierBlick.

06/2022–08/2026
WEINGARTEN

DIGITAL DESIGNER – WEB, CONTENT & VIDEO · AWW

Four years at the intersection of continuing education, web and communication. Designed digital content, video formats and coherent visual systems.

09/2025–04/2026
BREMEN

VIDEOGRAPHER, CUTTER & AUTOMATION · DEICHBlick

Website and CMS work, video production, and AI-assisted workflows for faster, more consistent content operations.
